Very good. I will send you all the invite. I will include Heriberto and he can accept/decline depending on his availability.

Thanks so much!

Hi Tom,

We have finalized a time of 1pm on Wednesday, August 7th at the City of St. Louis Park for the St. Louis Park/Edina meeting on the Highway 100 & CR 3 listing. I am finalizing the attendee list so that we can send out the meeting invite. Who from EPA would you like the meeting invite forwarded to?

Thanks!

Good afternoon Jaime,

According to Pat I believe he's coming in the afternoon of the 6th and leaving the afternoon of the 8th. I will try to mirror his schedule.

I have a couple of questions.

Hi Tom, Pat, and Tim,

We have gotten confirmation that August 7th will work for the City of St. Louis Park and City of Edina to meet with the EPA and MPCA regarding the above referenced listing. They would like to hold the meeting at one of the City Halls and then take a tour of the site. We can figure out transportation to the cities once timing is figured out.

Do you have an idea of when you would fly in for the meeting? They would like the meeting time in the morning. I was trying for the afternoon thinking you would fly in the morning of August 7th. Please let me know timing restrictions based on flight schedules and I will finalize the meeting time with the City and our Commissioner's Office.

Again, we really appreciate this effort to meet with them. Looking forward to having you in MN.

Thanks,
